

Lorne Richardson Assistant Principal

Why Choose Brooklands?

- Rated 'Good' by Ofsted (January 2024).
- Industry experienced lecturers who help you achieve your best.
- Courses are offered at Entry Level as well as Levels 1, 2 and 3.
- 5 T Level pathways – digital, health, engineering, electrical and education & childcare.
- English and maths can be studied alongside your technical course, for those with GCSE grade 3 or below.
- National college competitions to demonstrate your skills.
- Trips and excursions in the UK and overseas.
- Free breakfast to prepare you for the day ahead.
- Wednesday afternoon enrichment sessions.
- Wraparound support to ensure you fulfil your potential.
- Easy transport links.

What are T-Levels?

→ WELCOME TO THE NEXT LEVEL

T Levels are technical courses which follow GCSEs. This 2-year qualification give you a head start towards your career.

→ EQUIVALENT TO 3 A LEVELS

T Levels are equivalent in size to 3 A levels, with the same UCAS points value.

→ A 45-DAY INDUSTRY PLACEMENT

T Level students spend **80%** of the course in their learning environment, gaining the skills that employers need. The other **20%** is a meaningful industry placement, where they put these skills into action.

→ WILL T LEVELS SUIT ME?

T Levels are a good option for those who know the industry or area of work they want to pursue for a career, and like the idea of a predominantly learning environment based course but with a strong practical emphasis and time in the workplace.

→ AM I READY FOR T LEVELS?

Some young people may benefit from more time to get ready to study a T Level. The T Level Foundation Year has been created for just this purpose. The foundation year provides you with the relevant knowledge, practical and study skills needed to then begin a T Level course.

Competitions

Surrey FE Logo Design

Emily Housley, an Art & Design student in her 3rd year at Brooklands College, came runner up in the Surrey FE logo design competition earlier this year. This young graphic designer has a great future ahead of her.

Alumni

Executive Chef returns to teach students

Alumni Michelin Star Chef Alex Payne and chef Harry Eagle demonstrated to our Level 3 catering students the process of creating a Michelin Star Menu. Alex is working closely with our catering team and is planning more culinary training events.

Success

Job Offer - McLaren Racing

Jack Wood, one of our Motorsport graduates, is now working at McLaren Racing as Trainee Model Maker.

We have strong industry links with McLaren Racing, Protean Electric, Land Rover and many local businesses.

Trips

Disneyland Paris

Travel & Tourism students recently enjoyed a trip to Disneyland Paris to attend the Travel & Tourism Student Convention 2024. This amazing opportunity is one of many trips and events scheduled throughout the year.

Industry Insights

Brooklands Radio Experience

Level 3 Media students are working with Brooklands Radio to launch a new radio show. Students have attended LIVE Radio broadcasts and are being trained in operating a LIVE Radio Desk and developing skills in presenting for radio.

Success

Job Offer - Teacher Role

Emily Clutterbuck began with the Level 3 Teaching Assistant course before moving on to our Level 5 Foundation Degree in Early Years. Emily has been offered a job as a teacher in a SEND school whilst continuing her Level 6 studies at Kingston University.

What Our Students Say?

"Without the qualification I achieved at Brooklands College, I wouldn't have the job I have now."

"Going to Brooklands was great fun. I was supported with everything I did and the staff always made time for me. Even after I left, I was still supported with my next step, and finding a job."

"I have been happy at Brooklands College from Day 1. The teachers have been supportive, which has made me want to give 110% on everything."

"Learners benefit from a calm and studious environment in which they learn well"

"I would be a completely different person if I didn't come to Brooklands. I have grown in confidence and am keen to learn new things and do my best."

Student Values

The College has four core values and we use these as guidelines for how we act within the College community. The College Values ensure that we can work together to get the very best out of your time at College and, for your successful progression.

We Champion growth and success, appreciating the ideas, values and beliefs of everyone

Preparation for employment/university and/or the next level of study whatever your aspirations.

We Inspire motivate and raise aspirations through sharing good practice, taking risks, innovating and embracing change

We will help you find the right programme/career pathway. We have a dedicated Careers Team.

We Care we are compassionate, we foster a safe and supportive environment which enables everyone to grow and flourish

High aspirations - working with you to help you develop the skills for the next stages in your career, be it further study, employment or an apprenticeship programme.

We Collaborate and build high quality, positive relationships to deliver high quality education and skills

We work with employers to develop opportunities and help you understand the industry.
